Principles of Economics - Alfred Marshall [Modern library classics] (Annotated)

Taly Dery is a worldly entrepreneur and a business development enthusiast who believes in sustainable and exponential growth through dedication, exploration and a winning strategy. In order to make money, a traditional publisher - say, a magazine - first has to cover a multitude of costs: it pays writers for the articles; it employs editors to commission, shape and check the articles; and it pays to distribute the finished product to subscribers and retailers.
