## **Elk Hunters Dont Cry: An Outdoor Collection**

B This section applies to each school district that meets the following criteria: 1 The Ohio facilities construction commission certified its conditional approval of the district's project under sections C For each school district to which this section applies, the department of education shall recalculate the district's percentile ranking under section For this purpose, the department shall recalculate every school district's percentile ranking for that fiscal year using the district's "valuation per pupil" as that term

is defined in section D For each school district to which this section applies, the commission shall use the recalculated percentile ranking reported under division C of this section to determine the district's portion of the basic project cost under section The commission shall not use the recalculated percentile ranking for any other purpose, and the recalculated ranking shall not affect any other district's portion of the basic project cost under section The commission shall revise the agreement entered into under section A This section applies to both of the following: 1 Any school district that has not executed an agreement for a project under sections Notwithstanding any provision of this chapter to the contrary, with the approval of the Ohio facilities construction commission, any school district to which this section applies may opt to divide the district's entire classroom facilities needs, as those needs are jointly determined by the staff of the commission and the school district, into discrete segments and shall comply with all of the provisions of those sections unless otherwise provided in this section. Because I had an early exit from the event, all I could do was watch and I was impressed with his 8-Ball game.
