Postage cost can't be calculated. One should expect the things to be run differently in Russia than in the other countries: they change fast and suddenly, you never know what and when can happen.

Failures simply represents a challenge; not something to avoid. How to write a great review. This also applies to the later discovery of hidden defects. Some of these disciplines, genres, and trends may seem to have existed eternally or to have emerged spontaneously of their own accord, but most of them have had inventors. Plus most folk discover to their very great surprise that weight training is very satisfying.
