Classicism recognized different registers of language: odes, tragedies, and scholarly writings were written in the high style ie, the scholarly language; in Ukraine at the time that meant Russian ; drama and prose were relegated to the middle style a mixture of the bookish and the vernacular spoken by clerks and other literate people ; and only comedy, burlesque, and travesty were written in the low style the language of the peasantry; in 'Little Russian,' Ukrainian. Focus group discussions have shown that mothers, community members, primary health workers, and doctors and nurses liked the records.
