Alternative Assets and Strategic Allocation: Rethinking the Institutional Approach (Bloomberg)

An annoyed Terry agrees that he is not a good influence on his nephew and calls off the fishing trip he and Rudy had planned.

After Summer Ends

I am already much improved in the geography of France by learning the departments with their chefs lieux by heart so as to be able to repeat them without hesitation, and in an order which designates at the same time their geographical situation, so that there is no considerable town of which I do not know the position or at least in what part of France it is situated: I am now applying myself more to the course of the rivers and to the number, names, and situation, of all considerable streams which the great ones receive. An example given in the World Bank Technical Paper, Monitoring and Evaluating Urban Development Programs, A Handbook for Program Managers and Researchers by Michael Bamberger, describes a monitoring study that, by way of rapid survey, was able to determine that the amount of credit in a micro credit scheme for artisans in Brazil was too small.
